

Slimport™ Vision Lites

Manufactured in the U.K. by Zero Seal Systems, a division of Zero International, our SLIMPORT circular frames are suitable for installation in walls and partitions, as well as doors. They feature a unique, flush-fitting design with countersunk holes and mounting screws around the bevel on one side only for a clean appearance.

- Standard set to suit 1³/₄" (44mm) door and 1/4" (6.4mm) glass.
- Slimport frames are available in seven finishes.
- Glass not included.
